Standard Hand Icons Crack+ With Key Download [Latest] 2022

Detailed description of each icon: – Size: The icons are supplied in four sizes: 16*16, 20*20, 24*24, 32*32. The icons are also available in different formats: PNG, ICO, GIF and BMP. – Type: The icons are divided into two categories: standard and professional. The standard icons are designed by professional artist with great attention to detail. They are designed to resemble the real anatomy of a hand. You can also find professional icons, which are a bit more abstract and are designed to look professional and more realistic. – State: We supply the icons in regular, hot and disabled states. You can use the icons in all three states. However, if you want to use the icons as a hot stand-alone element, you can only use them in the regular state. Two-handed gestures Useful especially for web and mobile applications. This collection includes hand gestures that have been developed to support the workflow with touch interfaces. Each gesture consists of one or more hand icons. There are 12 icons in the set.
